

Malcolm X

Nonfiction vs. Fiction

When writing nonfiction, many authors adjust timelines, leave out important details, or flat out change happenings.

After reading the *Autobiography of Malcolm X as told to Alex Haley* and watching *Malcolm X: Make it Plain*, are there any instances in Malcolm's life that were adjusted to show Malcolm in a better light?

In a 500 word essay, describe which instances in Malcolm's autobiography were different from the ones shown in the documentary.

Be sure to:

- Identify & describe, at least, three examples
- Describe how these examples changed how the readers would view Malcolm
- Use proper MLA format
